MULTIPLE CHOICE QUESTION ON EMPLOYER EXPECTATIONS

Employers are looking for graduates who have a combination of...

a. Good grades and work experience  
b. Degree knowledge and skills and personal attributes  
c. Personal attributes and work experience  
d. Extra-curricular activities and degree knowledge

FEEDBACK:

The correct answer is b). But only just!!

Employers are looking for a combination of degree knowledge and skills and personal attributes. They value things like extra-curricular activities and work experience; however, these activities are contributing to your overall employability.
