Welcome to Learn.UQ

Blackboard Stability Issues Monday 10th March
 Blackboard has experienced some instability this morning and again this afternoon as a result of issues with underlying systems. We apologise for any inconvenience caused. For more information regarding the outages, please visit the [ITS service status page](#).

Echo Lecture Recordings Available Now
 Lecture recordings are now available. Please look for recordings via the EchoCenter link.

System Maintenance Dates

- Learn.UQ Saturday 12 April (was 26 April) - Four 5 minute slowdown periods of delayed response
- Learn.UQ Saturday 26 April - Blackboard will be unavailable between 6AM and 8AM
- Echo Lecture Recording System Upgrade - Between semesters (June 30 and July 18th) - Expected - TBC
- Learn.UQ Full Upgrade - for Nov 24th (unavailable for full day) - Proposed

UQ Timetable Planner Tool
 Use the NEW official UQ timetable planner to help plan your schedule, add courses, select classes and resolve conflicts. You can also save your timetable plan and export via iCal. The new UQ timetable planner tool can be found [here](#) or find us on [Facebook](#). Don't forget that the UQ Student Centre can provide advice on enrolling, completing mySI-net tasks and adding courses. Your school or faculty can also provide advice on course selection and program planning. Some faculties also provide academic advising sessions before and during orientation week. Happy timetable planning!

Requesting 2014 Blackboard courses
 Semester 1 2014 Learn.UQ courses are now able to be requested/set up.

eLearning Workshops for Staff
 ITS are offering a range of practical workshops on eLearning tools during November/December. Visit <https://staffdevelopment.hr.uq.edu.au/program/TALTEC>.

Have your say on computerised assessment and exams at UQ including submission, feedback, use of quizzes, infrastructure (computers, wireless, power) and more. 15 prizes to be won! Take the survey <http://bit.ly/UQCASS>
