1. STUDENT FEEDBACK ABOUT THE QUALITY OF TEACHER

^{1.9)} What aspects of this teacher's approach best helped your learning?

- Always treated students with respect and encouraged input. Was very approachable! Loved the weekly video examples!
- I liked the way they really explained the big concepts of the course. They were really knowledgeable in the field and I loved the weekly videos!
- John was really passionate about the topic, and kept the class engaged during lectures.
- John was the best lecturer I've ever had!
- Lecturer worked very hard at this course and deserves full praise for his enthusiasm
- Very knowledgeable and motivated to teach.

1.10) What would you have liked this teacher to have done differently?

- Encourage more student input.
- I would have preferred that the lecturer speaker a little slower when explaining big concepts. I sometimes found myself having to listen to the lecture again online to make sure I had properly understood! Other than that, what a great lecturer!
- Nothing! This was a great lecturer who stimulated my interest in the field. However, one thing would be to make sure that the lecture slides are up on Blackboard before class. This helps my note taking!
- Nothing, everything was great!
- Nothing.
- delivered all course materials very well and provided numerous learning resources that were very helpful. Organised learning outcomes for each lecture and tutorial which made learning goals and requirements clear and obvious. Also provided revision module worksheets and relevant readings. Communication was always clear and effective. Overall, a very good lecturer and inspired me to feel passionate about the subject content and learning
