

**SECaT Release Schedule
Semester 2, 2018**

Please note: This schedule has been organised according to Faculty, where possible. Email invitations for Schools listed together will be merged into a single email; helping to minimise the number of emails students will receive. For this reason, we cannot change the mail queue listed below. This Schedule excludes the School of Architecture surveys, which has an adjusted survey period as requested by the School. An additional unscheduled final reminder may be sent prior to the closing date.
